Parker Artists Guild Board of Directors Meeting September 14, 2022

In attendance: Leslie Scott, Elvi Borquist, AnaGloria Rodriguez

Topics Discussed

- A. Art in the Park–It was a successful event considering we had less tents this year–about \$13,400 was made. We did have to spend \$125 to replace tents that were ruined during a microburst.
Barb will no longer be available to coordinate next year’s Art in the Park (ATP). Vinton Irvin volunteered to head the committee to work as a group. John Creighton might help. Getting permits for ATP begins in January of the year. Each year the town of Parker charges more fees for ATP.
- B. V.P. Marie-Luise Vaughn’s continuing illness. 6-7 weeks of no driving. She is willing to continue being VP if no one is interested, but would give it up if someone wants the position. Marie is in charge of the Facebook page, newsletter, and helps with member meetings.
- C. Member’s Meeting September 21. Visiting a private art collection in Elizabeth.

Introducing pageless format

The pageless format for wide images and documents with page breaks. You can use the pageless format for any document. **File** → **Page settings**
